Dear Prospective Volunteer:

Thank you for your interest in volunteering at the Long Island State Veterans Home.

To Get Started:

Fill out as many paper as possible and then mail/fax or email it to the Veterans Home. Once we receive the application we will invite you to our next Volunteer Orientation. We hold orientation and trainings every 6 weeks, alternating between days and evenings. There is a lot of interest in volunteering at the Home and space is limited, you will need to RSVP in order to attend.

Besides the Application This Packet Also Includes:

- Photo Release Form
- Confidential Information Form
- Health Questionnaire
- Medical Reference, including recent PPD [PPD has to be within three months of the orientation you attend]. *This form needs to be completed and signed by your physician.*

These will need to be submitted before you can start volunteering.

Regarding the Medical Information:

State law requires all volunteers to show proof of a recent PPD (Tuberculosis test), no more than 3 months old. As a courtesy, we offer the PPD test to you free of charge at the Veterans Home, however hours may be limited. Your doctor will still need to fill out the first 2 questions on the Medical Reference and sign the form. We protect your confidentiality with all this information. **Stony Brook University Students** can submit a current school physical instead of the Medical Reference, but will still need an up to date PPD.

To schedule an appointment for the TB test, call the LISVH Employee Health office, at 631-444-8526.

Keep in mind when making your appointment; you then need to come back two days later to have the test read.

You MUST submit the results of the TB test to VOLUNTEER SERVICES, do NOT leave it with the nurse!

Benefits of Volunteering:

Learn new skills, learn about what makes a quality nursing home and how it runs, meet interesting people, feel good about helping others, give back to our Nation's heroes, get experience for your future.

Benefits We Offer You:

Volunteer support groups, educational workshops, volunteer meal program, holiday and recognition luncheons, quarterly newsletter, reference letters, annual flu shot (optional), training and support.

We look forward to hearing from you and being able to welcome you to our volunteer family. Please contact me with any questions 631-444-8590 or Samantha.myers@lisvh.org

Best wishes,

Samantha Myers

Confidential Information

Dear Volunteer Applicant:

Your privacy is important to us. Under no circumstances will the Long Island State Veterans Home share your contact information with any other organization. All medical information obtained from you will be kept locked in confidential files in our Medical offices (not with your volunteer file).

As you notice on this form, we do ask for your Social Security number and date of birth. This is needed to issue you an official Long Island State Veterans Home/Stony Brook University, Volunteer ID Badge. We realize in this day and age people are reluctant to constantly share their SS# and we understand that. In an effort to protect your privacy while meeting our administrative needs, we have removed the Social Security number from the Volunteer Application. We are asking you to fill it out on this separate sheet of paper. This way the number will not be kept in your volunteer file. Instead it will be shredded once we have issued you your official ID badge. The number will not be used as a volunteer ID number and it is not used in the volunteer data system.

We hope this system addresses everyone's concerns regarding their privacy and safety.
