October 8, 2021

Dear LISVH Family Member:

As we complete the first week in October, we remain committed to bringing you the latest on our situation here at the Long Island State Veterans Home. We are extremely pleased to report that the Home is COVID-19 free at this time. We have no residents and no employees with the novel Coronavirus (COVID-19). Our goal is to remain COVID-19 free in the weeks and months ahead.

Indoor visiting resumes tomorrow, October 9, 2021. We will be utilizing Nursing Unit 1B for indoor visiting. While you can still have an outdoor visit, we want to prepare for the colder weather that the fall season will bring. Please continue to use SignUp Genius on the LISVH website, and always go online to check our latest updates before you venture out to the Home. While we are in a good place right now, things can change on short notice. We appreciate your ongoing cooperation.

As a reminder, residents are also permitted to go out on a social pass with family members as long as they are not on transmission-based precautions and are approved to go by their LISVH physician. Should you need further clarification, please reach out directly to your assigned social worker.

In closing, please be assured that we continue to do everything in our power to protect our residents and staff against COVID-19. We want to also thank you for entrusting your loved ones to our care. If we can be of further service to you, please do not hesitate to reach out.

Sincerely,

Fred S. Sganga, FACHE  
Executive Director  
631-444-8606

Jonathan Spier, LNHA  
Deputy Executive Director  
631-444-8615

Anshu Singh, MD  
Medical Director
