May 21, 2021

Dear LISVH Family Member:

As we end another week in our fight against the novel Coronavirus (COVID-19), we want to take this opportunity to update you on the latest situation at the Long Island State Veterans Home. In a word, we are stable. We have no cases of COVID-19 among our residents and employees at this time. Employee testing is ongoing and the results have been good.

Residents are now unrestricted and many of them have gotten off their nursing unit to enjoy other parts of our Home as well as our outdoor grounds. Spirits are high as we take one more step toward normalcy. Visitation continues to be available to families and friends and we kindly request that you utilize [SignUp Genius](#) to schedule your next indoor or outdoor visit. The NYS Department of Health still requires us to temperature screen all visitors and have them complete a COVID-19 questionnaire. We also check that all visitors have a proper face covering as well. Your ongoing cooperation is appreciated, and we are thrilled to be seeing you more often.

Earlier today, we had 50 volunteers from National Grid beautifying our campus. In honor of Earth Day, the great people of National Grid chose LISVH to conduct a major spring cleanup that included new plantings throughout our 25-acre campus. We pride ourselves on our outdoor areas and we are deeply grateful to National Grid for their unbelievable commitment to our veterans and their families.

We want to wish you a pleasant weekend and we ask that you maintain caution as things begin to open up again in our region. Please know that we are always a phone call away if you need us.

Sincerely,

Fred S. Sganga, FACHE  
Executive Director  
631-444-8606

Jonathan Spier, MHA, LNHA  
Deputy Executive Director
