Dear LISVH Family Member:

With the end of another week battling the novel Coronavirus (COVID-19) upon us, here is an update of our latest situation at the Long Island State Veterans Home. In a word, we remain stable, with no cases of the virus among our resident population or employees. Currently, we are in a good place. We will continue our surveillance process in order to monitor any future virus activity.

Our thanks to all families for using SignUp Genius on our LISVH website to arrange your scheduled visit. All visiting must continue to meet federal, state and local regulations and we remain grateful for everyone's full cooperation. Our families are back with us, and we enjoy seeing all of you. Visiting safely remains our top priority as we provide care to your loved one.

Earlier today, we had a Family Council Zoom meeting. As we were able to update our families, we were able to answer any questions they had as well. We appreciate all the families that took the time to be with us this morning; your input and discussion is important to us. For those planning ahead, our next Family Council Zoom meeting will be on Friday, July 23, 2021 at 11:00 AM. The meeting link will be sent out as we get closer to the date.

Just a reminder, our 19th Annual Golf Classic will be held on Thursday, September 23, 2021 at the Willow Creek Gold Club in Mount Sinai. We are reaching out to families to assist us in obtaining raffle prizes for the dinner that follows a day of golf. We are seeking restaurant or store gift cards as well as tickets to any sporting events. Over the years, families have been extremely generous and all monies raised are 100% utilized in maintaining a great quality of life for our veterans. Please reach out to the coordinator of this fundraising event, Samantha Calandrino, Director of Volunteers, at 631-444-8590.

We appreciate all that our families do, and please know that we are here for you at all times.

Sincerely,
