IMPORTANT PARKING UPDATE #10

Dear Colleagues, Visitors, and Friends of the Long Island State Veterans Home,

What a difference some clear dry weather makes!

I am pleased to share with you that Phase 4A (the lower two tiers of the back parking lot) will be complete and open for parking at 7 AM tomorrow, June 25th. In the spirit of continuing to move forward, the upper tier (Phase 4B) will be closing at the same time for construction to begin on this final parking area of our overall project. A walking path will be set up to safely pass through the ongoing construction.

Lastly, we continue with the ongoing curb, electrical, signage and drainage work along Patriots Road. I can never say this too many times...SLOW DOWN!!!! We have had too many close calls and more than a few incidents of not following the commands of the flag men. So please, let's do better and insure our construction team is able to safely perform their jobs and return home to their families every evening.

Again, on behalf of our leadership, project management and construction teams, thank you for your continued cooperation.

Sincerely,

A handwritten signature in blue ink, appearing to read "Paul F. Maguire", with a long horizontal flourish extending to the right.

Paul F. Maguire, FACHE
Associate Executive Director
