IMPORTANT PARKING LOT UPDATE #6

Dear Colleagues, Visitors, and Friends of the Long Island State Veterans Home,

As winter is beginning to settle in and the reality of snow is upon us, we will be removing temporary parking spots in the back of the building (employee parking area) and parking outside of marked parking stalls. Specifically, 5 parking spots will be removed along the grassy area where our busses were parked in the back lot and 5 parking spots along the edge of the East Pavilion outside of purchasing.

Eliminating these will help insure vehicle / employee safety as snow removal efforts are undertaken and insure access to our loading docks for oversized vehicles making necessary deliveries. The good news; there is plenty of great parking in our new and expanded front parking lot!

Thank you in advance for your cooperation and stay warm!

Sincerely,
