### **Junior Volunteer Parent Acknowledgment**

The Long Island State Veterans Home is part of Stony Brook University and builds learning into many aspects of our care and service.

We view the Junior Volunteer program as a great learning experience for those youth who choose to participate. We find that it is important to review a few things with the parents when their child applies to become a volunteer.

It is important for the parents to realize that volunteering imparts important skills for a young person's future. By letting the child navigate the world of volunteering s/he is learning important skills s/he will later use in his/her higher education and career. To help the child learn these skills we kindly ask that the volunteers contact us directly and not the parents. We find that this direct communication assists in building skills for the volunteer and eliminates any miscommunication.

### **Some Guidelines That You Should Be Aware Of:**

- We will be in contact directly with your child.
- Your child is expected to fill out appropriate papers and hand them in in a timely fashion.
- Your child is expected to communicate directly with the Volunteer Department and directly with his/her supervisor of the assigned department.
- If there are any papers your child needs to fill out along the way these will be sent directly to your child.
- Any communication we have will be directly with your child.

We appreciate your cooperation with us in regards to your child's volunteer and learning experience. Please complete this form below indicating that you have read the above and send it in to Volunteer Services to be included in your child's application. Thank you greatly.

### **Confidential Information**

Dear Volunteer Applicant:

Your privacy is important to us. Under no circumstances will the Long Island State Veterans Home share your contact information with any other organization. All medical information obtained from you will be kept locked in confidential files in our Medical offices (not with your volunteer file).

As you notice on this form, we do ask for your Social Security number and date of birth. This is needed to issue you an official Long Island State Veterans Home/Stony Brook University, Volunteer ID Badge. We realize in this day and age people are reluctant to constantly share their SS# and we understand that. In an effort to protect your privacy while meeting our administrative needs, we have removed the Social Security number from the Volunteer Application. We are asking you to fill it out on this separate sheet of paper. This way the number will not be kept in your volunteer file. Instead it will be shredded once we have issued you your official ID badge. The number will not be used as a volunteer ID number and it is not used in the volunteer data system.

We hope this system addresses everyone's concerns regarding their privacy and safety.
