Dear Applicant,

Thank you for your interest in the Long Island State Veterans Home. Our mission is dedicated to serving veterans and their families in a warm, supportive environment that provides the highest standards of quality care for both short term rehabilitation and long term services.

Often times the need for nursing home placement or rehabilitation services is immediate, allowing for little or no preparation time. You may be called upon to make important and emotionally difficult decisions regarding your loved one. Our caring and compassionate staff is comprised of highly trained and experienced professionals who are eager to assist you throughout the admissions process.

We are pleased to report that we are now a Tobacco-Free Campus. Breathe easy as tobacco products are not permitted on our 25 acre campus. Therefore, we do not admit residents who wish to smoke or use tobacco products.

We welcome this opportunity to provide you with our application, brochure and mission statement. If you have additional questions, require more information or would like to schedule an appointment for a tour, we invite you to call us at (631) 444-8548. You can also visit our website at www.listateveteranshome.org.

Respectfully yours,

A handwritten signature in blue ink that reads "Lauren Mahoney".
