IMPORTANT PARKING LOT UPDATE #7

Dear Colleagues, Visitors, and Friends of the Long Island State Veterans Home,

We're Back! Our construction team is ready to shake off our winter doldrums and get back to work **March 4th** on our Parking Lot Project. We will be kicking off Phase III that includes the parking area along side of our North Pavilion and in front of our East Pavilion. To provide some clarity, a site map is on the back of this notice to highlight what will be happening.

- First and most importantly, we will be re-opening the temporary entrance to the Phase I and II areas and placing the 3 way STOP sign back in place. **Once again, please use caution, slow down, come to a full stop, and be mindful of the new pattern.**
- Second, yet as important, is the **entrance to the circle in front of our main entrance will have intermittent closures during daytime hours.** Access to the circle and main entrance, especially for our Adult Day Health Care ambulette service and drop-offs will be available by driving through the Phase I and II lots via the reopened temporary entrance. **Again, as this will increase parking lot traffic, EVERYONE must use caution and yield to pedestrian right of way.**
- The Phase III area as described above and indicated on the map will be closed. The expected date of completion is approximately **May 1, 2019.**
- **To accommodate our visitors, families and volunteers, the first 2 bays of parking behind the flag poles will be reserved for this group. EMPLOYEES MUST PARK IN THE BAYS FURTHEST FROM THE FRONT OF THE BUILDING OR IN THE REAR PARKING LOT.**
- At this writing, the Home is NOT planning on utilizing Valet Services to accomplish the above phase of work. **However,** we will reevaluate that decision should we find that we cannot adequately and reasonably accommodate visitor parking and access.

Once again, our project team and construction partners appreciate your patience and understand how frustrating these changes (and my updates) can be. **THANK YOU!!!** Please see the map on the back of this memo and should you have any questions, please feel free to contact me at (631) 444-8604.

Sincerely,
